March/April 2010

Volume 3, Issue 2

## NDSCC's Aim

To bring like minded people together for social outings in their vehicles.

## Next NDSCC Runs - April and May

### April 18th

Our destination for the April run will be to the Virgin Blue Flight Simulator, Brisbane Airport.

For those of you who may not have attended this venue before, it's well worth coming along and experiencing.

As per usual, we will meet at Centenary Lakes at 8.30am for a 9.00am departure.

It is a BYO outing, however morning tea will be supplied.

Members are asked to keep in mind that the destination is a workplace, so we request that **NO THONGS OR SNGLETS** be worn. If you do, this will exclude you from 'taking a flight' on the simulator.

After our tour, we will then head to the observation park at the head of the

main runway to enjoy our lunch, each others company and rumbling of the jet engines!

If you plan on bringing visitors along, please contact Ron and Brenda on the phone number listed below as numbers are limited on this run.

If you have any questions or would like to work out a meeting place along the way, please contact Ron and Brenda on (07) 5497 8858 or 0419 439 411

### May 16th

Our destination for the May run will be Bullocky Rest, North Pine Dam.

We will meet at Centenary Lakes at the normal time for a 9.00am departure.

When we depart the Lakes, we will travel along Morayfield Road to Buckley

Road. Follow this down and turn left past the Burpengary Tavern. Then follow the shoreline from Deception Bay all the way down to Shorncliffe where we will stop and have smoko.

From Shorncliffe we will then follow the water line around and then head back to North Pine Dam to Bullocky Rest which is on Forgan Road, where we will have lunch and meeting.

Then everyone can go their own way.

More detailed information will be available on the day. If you have any questions, please contact Russell or Beverley on (07) 3425 1213.

## Run Report - Sunday 21st February - Bellevue Homestead

"get the roof up my hairs getting wet" routine!! So we passed through Wivenhoe Dam & yes still raining who says it never rains in the catchment area of that dam we know it does now, so maybe we should all drive out there more often.

oxtail accompanied with lots of vegies & gravy & don't get us all started on about the desserts, the choice was golden syrup dumpling/ lime mouse/& date slice served with all the trimmings. We all gained about 2 kilos by the time we left!

While some headed off after lunch the rest of us took a tour around the property & learnt about it's history & how all the previous owners had contributed to the area out that way, makes you think of the saying: if only those walls could talk, by then it was getting quite late so we all went our own different ways home & a thoroughly good day was had by all.

We recommend you to go for a drive out there & have lunch or Devonshire tea out on the veranda, you will enjoy it a lot & think about what life must've been like all those years ago.

*Craig & Julie Bloomfield  
Cameron & Leisa Dent*

Hello to all Members

Well didn't we have a fun start to our run on Sunday 21st, the weather looked like rain & when we met in the park, yes it did rain but not for long though.

We handed out our Part 1 directions along with 2 playing cards & off everyone went. There were some tricky little areas in the way we were going to our first stop, which was at Mt Glorious for morning tea & also to get everyone back together again. BUT the funny side of the car drive is that a few of the members (you know who you all are) got a little bit lost & they were driving the following cars!!!

- 1/62 Red Buick
- 2/64 Bronze Falcon Coupe
- 3/Green Hyundai Wagon

So these people found a new area to tell us about!! While Craig drove back down to try & find the lost ones, the rest of us were having fun in the park at Mt Glorious fighting off leeches from our feet & WOULD YOU BELIEVE IT one ended up in a cup of coffee which Keith Downie was enjoying. What a hoot that was for the rest of us! So by then we were all paranoid about the little blood suckers so we all went back down to the cars & then the lost ones turned up so we were all back together again & after handing out Part 2 directions with another 2 playing cards we were off down the other side of the mountain & guess what ??? we all drove straight into heavy rain so those of us driving convertibles had to make a quick,

We then arrived at our destination: Bellevue Homestead at Coominya.

We then handed out another card to make up a complete poker hand.

The best poker hand was won by **Geoff & Marita** with a Full House. Their prize was a 12v cordless impact wrench kit

Second best poker hand with a pair of ? (we can't remember!) was won by **Dave & Pam Bertram** was a copy of the latest Just Cars Magazine

Third best poker hand with another pair ? but it was less than the above pair (& we still can't remember) was won by **Robert & Lorraine**

**Cooling** & their prize was an Aussie stubby cooler & tyre pressure gauge: **Congratulations to all**

*PS: Julie Bloomers lost her notes she was taking about the lunch that's why we can't remember the cards!*

We were welcomed into the home by the owners of the property & they immediately got down to the business end of getting us started on the wine tasting which was very enjoyable & then onto lunch & WOW what a lunch we had, a choice of chicken/veal or

## Run Report - Sunday 21st March - Glasshouse Mountains Township

Hi all, yours truly won the prize for our March run so here's my report of the day.

We met at the lakes, we drove up to a beautiful park at Glasshouse Mountains, we ate, we drank, we laughed, we told jokes and we all had fun. That's it. Bye from me.

What Nicole? Not enough? arrgggh! Here's a bit more then...

For winning the questionnaire, I was awarded a beautiful tin sign; adorned with vintage advertising for an old Ford Thunderbird - perfect for hanging in my shed or other (soon to be a bar-room) shed. It is absolutely magnificent and I thank Richard & Kaz for it once again.

While I'm dishing it out, I have another big thanks to Robert & Lorraine for giving me a couple of young macadamia trees - just what my stingless bees have been asking for!

One last thank you has to go to my Dad, Bob Pritchard for not scaring the pants off of Nicole, Jayne and I who were riding in his beloved maroon AP5 Valiant on the day. There aren't many people who can say they've owned and driven the same car since the mid 1960s. Love ya heaps Dad.

Oh, by the way, because of the low attendance, we didn't have an official meeting... there was some discussion before we left as to how far we'd go or if we should go anywhere at all. Maybe it was too rainy, or because of the low attendance of committee and members, but whatever the excuse, we all decided to blow the formalities and go as far as the elemental weather forces allowed and just enjoy ourselves. So be aware that our next run may hold an official meeting instead (at the committee's discretion).

## **Delicious Roast Chicken Recipe**

*Contributed by Nicole O'Keane*

Here is a chicken recipe that also includes the use of popcorn as a stuffing - imagine that!

When I found this recipe, I thought it was perfect for people like me, who just are not sure how to tell when poultry is thoroughly cooked, but not dried out. Give this a try:

Size 18 chicken

1 cup melted butter

1 cup stuffing

1 cup of uncooked popcorn

Salt & pepper to taste

Preheat oven to 220c.

Brush chicken well with melted butter, salt and pepper.

Fill cavity with stuffing and popcorn.

Place in baking pan with the neck end towards the back of the oven.

Listen to the popping sounds.

When the chicken's @rse blows the oven door open and the chicken flies across the room, it is done.

And people thought I couldn't cook!!!

## **Father of the Year**

A man boarded a plane with 6 kids.

After they got settled in their seats a woman sitting across the aisle from him leaned over to him and asked, "Are all of those kids yours?"

He replied, "No. I work for a condom company. These are customer complaints."

*Wish I could think so quickly!!!*

## Wheelie Bin

*Contributed by Julie Walters*

A refuse collector is driving along a street picking up the wheelie bins and emptying them into his compactor.

He goes to one house where the bin hasn't been left out, and in the spirit of kindness, and after having a quick look about for the bin, he gets out of his truck goes to the front door and knocks.

There's no answer. Being a kindly and conscientious bloke, he knocks again - much harder. Eventually a Japanese man comes to the door.

"Harro!" says the Japanese man. "Giddyay, mate! Where's ya bin?" asks the collector.

"I bin on toiret," explains the Japanese bloke, a bit perplexed.

Realising the fellow had misunderstood him, the bin man smiles and tries again. "No! No! Mate, where's your dust bin?"

"I dust been to toiret, I toll you!" says the Japanese man, still perplexed.

"Listen," says the collector. "You're misunderstanding me. Where's your 'w h e e l i e' bin?"

"OK, OK." replies the Japanese man with a sheepish grin, and whispers in the collector's ear. "I wheelie bin having sex wirra wife's sista!"

## Murder at Tesco

*Contributed by Ron Byrnes*

Tired of constantly being broke & stuck in an unhappy marriage, a young husband decided to solve both problems by taking out a large insurance policy on his wife with himself as the beneficiary, and then arranging to have her killed.

A 'friend of a friend' put him in touch with a nefarious dark-side underworld figure who went by the name of 'Artie.'

Artie then explained to the husband that his going price for snuffing out a spouse was £5,000.

The husband said he was willing to pay that amount, but that he wouldn't have any cash on hand until he could collect his wife's insurance money.

Artie insisted on being paid at least something up front, so the man opened his wallet, displaying the single £1 coin that rested inside. Artie sighed, rolled his eyes, & reluctantly agreed to accept the £1 as down payment for the dirty deed.

A few days later, Artie followed the man's wife to the local Tesco Super Store. There, he surprised her in the produce department & proceeded to strangle her with his gloved hands & as the poor unsuspecting woman drew her last breath & slumped to the floor.

The manager of the produce department stumbled unexpectedly onto the murder scene. Unwilling to leave any living witnesses behind, ol' Artie had no choice but to strangle the produce manager as well.

However, unknown to Artie, the entire proceedings were captured by the hidden security cameras & observed by the store's security guard, who immediately called the police.

Artie was caught & arrested before he could even leave the store.

Under intense questioning at the police station, Artie revealed the whole sordid plan, including his unusual financial arrangements with the hapless husband, who was also quickly arrested.

The next day in the newspaper, the headline declared ...

(You're going to hate me for this .... )
