Next NDSCC Runs - June and July

June 20th

As *El Presidenti* will most likely be away at work, I offered to take up the challenge and prepare a run with a difference, that is, we will start from Caboolture Lakes at 9.00am sharp, and motor to the BYO everything + chairs, morning tea stop at an establishment that I believe every member and child alike will enjoy. *An important thing to remember is to bring Mozzie repellent and a pen, for this segment of the run.*

Now, Peter would like to present a trophy for the day, so, during our morning tea stop we have been offered a free ½ hour guided tour to enjoy, and to comply with Peter's request, a question sheet will be given out to each participant to complete and hand in at the lunch stop. Hopefully Peter might be able to come down and present his

trophy for the closest correct answer.

After a look around, and once that all important cuppa is finished, we will travel on to an interesting workshop that will fascinate a few and be awe-inspiring to others. Lunch will be at a nearby park, then after the normal chit-chat you can make your way back home, **an important note is solid foot ware is a requirement i.e.: no thongs or sandals** and children are to be kept under parental supervision whilst in this building.

A rally sheet will be handed out on the day, if any one living South of Anzac Ave Kallangur, who can't start from Caboolture Lakes **please** don't hesitate to call Rob or Michele on 3205 1365 or 0427 724 574, for your directions. *Details of our destination will be provided on the day!*

July 18th

The run will commence from the Lakes at the usual time & head out towards Woodford & turn at the D'Agular Pub. Then it will go along the Mt Mee Rd to Dayborough & then continue to Closeburn where we will have a BBQ facility for those who want to cook their lunch or eat BYO.

Entertainment will be provided by a naturalist with a demo with some animals. This will be on a private estate & will have parking for vehicles.

Looking forward to seeing you there.

GENERAL BUSINESS:

Discussion on By-Law #8 which states:

"As this club was formed to foster social interaction between like minded individuals and families, attendance at the monthly club runs is deemed to be an essential part of our club culture. Failure to attend at least 2 runs in any year (from AGM to AGM) will result in suspension of membership"

Because our Financial Year ends on 30th June each year, and our AGM is held in September each year there could arise a situation where a member has paid his fees for the year, but because of non attendance would be excluded at the following AGM. This could turn

out to be a problem since the member would still be financial. To prevent any problems it was decided to amend that section of the by law to read ""from Financial year to Financial year " instead of "AGM to AGM"

Moved:-Julie Walters, *Seconded:* - Denise Douglas that the change be ratified by the members..Carried.

By-Law #8 now reads:-

"As this club was formed to foster social interaction between like minded individuals and families, attendance at the monthly club runs is deemed to be an essential part of our club culture. Failure to attend at least 2 runs in any year (from Financial Year to Financial year) will result in suspension of membership"

Membership dues. These are payable from May 1st and all members have until 30th June to pay. Michelle Dix suggested we place a reminder in "The Oily Rag" to remind members of their financial obligation – Approved.

There was some discussion about the ambiguity of the dating certificates, and it was decided to seek clarification at the next QHMC meeting on 27th May.

Raffle: – Raised \$68.00 and was won by Brenda Byrnes.

Meeting closed at 1:00 PM.

Treasurer's Report as at 16th May 2010

Run Report - Sunday 16th May - Bullocky Rest, North Pine Dam

I never win anything, so I was very excited to win the raffle on the last rally day, but my pleasure soon was dampened when informed that I had to write this report. However I really don't mind because the run was excellent.

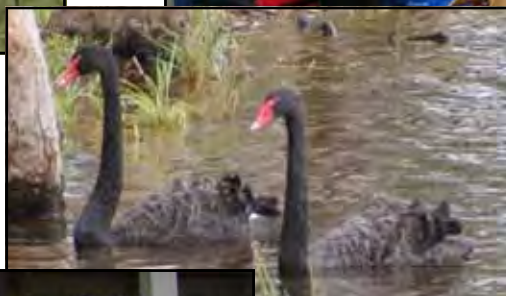

The run was organised by Bev & Russel, and again started out overcast miserable weather, but was very well attended. As usual we were a little late getting away because we could not stop the Men "gasbagging" and get their heads out from under the various car bonnets.

The run was very well planned and great driving, going down by Deception Bay, Scarborough, Redcliffe and along the water to Margate, Woody Point and onto Sandgate for morning Tea. The beautiful houses and views along the way were amazing.

After a short Morning Tea stop we then headed off again through Sandgate back over the Freeway, down South Pine Road eventually ending up at Bullocky Rest and enjoyed a very relaxing lunch and meeting beside the Lake with the Swans and the Ducks.

Thank you Bev & Russel for a great day and thanks Bev for the great cakes.

Brenda & Ron

Run Report - Sunday 18th April - Virgin Blue Flight Training Centre

Hello from Brenda & Ron,

Even though the numbers attending were a little disappointing, fun was had by all who attended.

The weather was not very kind on the day starting out overcast and drizzling with rain, but was kind enough to fine up so that we were able to enjoy our lunch under the trees and watch the planes coming and going.

The simulator was just as enjoyable as ever, but I hope some of our members do not park their cars in

the same manner as they landed the plane (In the middle of the paddock!!!).

Peter Drage and his lovely wife Teri both joined us for morning tea and very interesting conversation was had by all, and a continued commitment for a return visit.

Alec presented Peter with a Thank you Certificate, which we had to have changed because they are now known as "Boing Training and Flight Services".

The new Certificate is now ready for return.

Unannounced Visit

Contributed by Ron & Brenda Byrnes

A women stopped by unannounced at her son's house. She knocked on the door then immediately walked in.

She was shocked to see her daughter-in-law laying on the couch, totally naked. Soft music was playing, and the aroma of perfume filled the room.

"What are you doing?" she asked.

"I'm waiting for John to come home from work." the daughter-in-law answered.

"But you're naked!" the mother-in-law exclaimed.

"This is my love dress," the daughter-in-law explained.

"Love dress? But you're naked!"

"John loves me to wear this dress," she explained. "It excites him no end. Every time he sees me in this dress, he instantly becomes romantic and ravages me for hours. He can't get enough of me".

The mother-in-law left. When she got home she undressed, showered, put on her best perfume, dimmed the lights, put on a romantic CD, and laid on the couch waiting for her husband to arrive.

Finally, her husband came home. He walked in and saw her laying there so provocatively. "What are you doing?" he asked. "This is my love dress," she whispered, sensually.

"Needs ironing," he said, "What's for dinner?".

Lakeside Classic Racing Day Photos

Event Held September 2009

Last September some of our members attended a Classic Race Day held at Lakeside Raceway (see article in September 2009 Oily Rag, Page 4). Photos from this day have now been published in the **Nitro Magazine** (Issue number 28, Pages 76-79). Please see below some of these photos featuring Bob Pritchard's Valiant, Chris & Sharon Tilyard's Chev and Craig & Julie Bloomfield's Mustang, plus others (including the one that crashed into the barrier trying to out race Bob and probably wrecked the opportunity to do a 'race lap' again for everyone!!)

Little Johnny

Contributed by Alex Gallagher

A teacher asks her class if anyone can use the word 'fascinate' in a sentence.

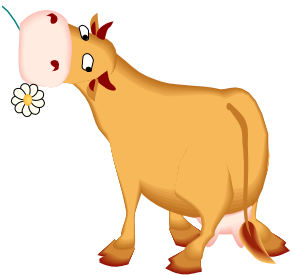

Brian raises his hand and says, "The sky is fascinating."

The teacher says, "No that's fascinat*ing*."

Jennifer raises her hand and says, "When I saw the tigers at the zoo I was fascinated."

The teacher says, "No that's fascinat*ed*."

So finally Little Johnny raises his hand and says "My Mum bought a new silk blouse with 12 pearl buttons, but her boobs are so big she could only fasten eight"

The Blonde and the Cow

Contributed by Rob Dix

A blond City girl named Amy marries a Colorado rancher.

One morning, on his way out to check on the cows, the rancher says to Amy, "The insemination man is coming over to impregnate one of our cows today, so I drove a nail into the 2-by-4 just above where the cow's stall is in the barn. Please show him where the cow is when he gets here, OK?"

The rancher leaves for the fields. After a while, the artificial insemination man arrives and knocks on the front door. Amy takes him down to the barn. They walk along the row of cows and when Amy sees the nail, she tells him, "This is the one right here." The man, assuming he is dealing with an air head blond, asks, "Tell me lady, 'cause I'm dying to know; how would YOU know that this is the right cow to be bred?"

"That's simple," she said. "By the nail that's over its stall," she explains very confidently.

Laughing rudely at her, the man says, "And what, pray tell, is the nail for?"

The blond turns to walk away and says sweetly over her shoulder, "I guess it's to hang your pants on."

(It's nice to see a blonde winning once in awhile.)

Passwords

Contributed by Alex Gallagher

A work colleague of mine had trouble remembering his passwords, and he kept track of them by writing them on Post-it Notes.

I noticed one password was "MickeyMinnieGoofyPluto," and I asked why it was so long.

"Because," he explained, "they said it has to have at least four characters."

Social Security Application

Contributed by Alex Gallagher

A retired gentleman went to the social security office to apply for Social Security.

The woman behind the counter asked him for his driver's license to verify his age.

He looked in his pockets and realised he had left his wallet at home.

He told the woman that he was very sorry but he seemed to have left his wallet at home.

"I will have to go home and come back later."

The woman says, "Unbutton your shirt." So he opens his shirt revealing curly silver hair.

She says, "That silver hair on your chest is proof enough for me" and she processed his Social Security application.

When he gets home, the man excitedly tells his wife about his experience at the social security office.

She says, "You should have dropped your pants. You might have gotten a disability allowance too."
