September Run AGM

It was a dreary looking day when we arrived at the meeting place. We all headed off to Toorbul and set up our tables and chairs for a chin wag before getting down to the business of the AGM

Charlie was sequestered to run the proceedings. As usual nobody wanted to take any positions so it was fairly quick running through the list of officers.

Ron kept saying we should have stopped at the shelter opposite the shop, but everyone said " Nah! It'll be right" and low and behold down came the rain.

Mad dash for everyone to pack up all their gear and make a B line for the shelter where we set up our smorgasbord and enjoyed our lunch (great spread of food) feeling a little damp.

We all packed up early and headed home to dry out.

Attention: In your Balance Sheet emailed to you before the AGM you will notice that there is \$160 more in the bank than receipts. That amount was given to me after my last banking in the 2012-2013 year, receipted for that year but banked in the 2013-2014 year.

October Run

Our run today was set by Alex and Elaine to Baroon Pocket Dam but unfortunately they had to go interstate so it was handed over to Dee.

The gathering at the Lakes was not good as there was only 5 members cars and a visitor from another club. We took our convertible (with the top down) as we had Sally our granddaughter with us and she wanted the top down.

We all left the lakes heading for the dreaded Caboolture Markets mess of cars and people wandering in front of you with trolleys. Finally made it past and headed towards Elimbah and Steve Irwin Way. We crossed the railway line and went along the other side to where we normally go.

Graeme and Dee were having trouble with their Falcon convertible shuddering so decided not to continue up the range.

Continued on to Landsborough where the leaders (our visitors) and the rest took a wrong turn. We took the lead and headed up the range. Ron got a pretty good run at the mountain and even the Pontiac struggled to keep up with him.

Picked Geoff Norris up at Maleny and headed down to the dam. The run sheet ticket was won by me but as the numbers were small we decided not to run a raffle. It was an enjoyable gathering for lunch and as it was getting a bit cool it was decided to head for home.

Baroon Pocket Dam

Lake Baroon is located between Maleny and Montville in the Sunshine Coast hinterland and provides recreation facilities, as well as being part of South East Queensland's drinking water supply.

Baroon Pocket Dam, built across Obi Obi Creek, was completed in 1989 and is 370 metres long. The lake has a surface area of 380 hectares and at full capacity holds 61,000 megalitres of water.

It is an un-gated dam, meaning that when it reaches 100 per cent capacity, water flows over the spillway and safely out of the dam.

Lake Baroon is a quieter recreation lake, with only electric powered boats and paddle craft permitted on the water. Fishing, swimming and the surrounding trails are also popular activities.

Permits are not required for boating or fishing at Baroon.

Smile a While

A man goes to the doctors feeling a little ill.

The doctor checks him over and says, "Sorry, I have some bad news, you have Yellow 24, a really nasty virus.

It's called Yellow 24 because it turns your blood yellow and you usually only have 24 hours to live.

There's no known cure so just go home and enjoy your final precious moments on earth."

So he trudges home to his wife and breaks the news. Distraught, she asks him to go to the bingo with her that evening as he's never been there with her before.

They arrive at the bingo and with his first card he gets four corners and wins \$35.

Then, with the same card, he gets a line and wins \$320. Then he gets the full house and wins \$1000.

The National Grid comes up and he wins that too getting \$380,000.

The bingo caller gets him up on stage and says, "Son, I've been here 20 years and I've never seen anyone win four corners, a line, the full house and the national grid on the same card. You must be the luckiest man on Earth!"

"Lucky?" he screamed. "Lucky? I'll have you know I've got Yellow 24."

"Bloody hell," says the bingo caller. "You've won the raffle as well!!"

Little Zachary

Until a child tells you what they are thinking, we can't even begin to imagine how their mind is working....

Little Zachary was doing very badly in math. His parents had tried everything...tutors, mentors, flash cards, special learning centers. In short, everything they could think of to help his math.

Finally, in a last ditch effort, they took Zachary down and enrolled him in the local Catholic school. After the first day, little Zachary came home with a very serious look on his face. He didn't even kiss his mother hello. Instead, he went straight to his room and started studying.

Books and papers were spread out all over the room and little Zachary was hard at work. His mother was amazed. She called him down to dinner.

To her shock, the minute he was done, he marched back to his room without a word, and in no time, he was back hitting the books as hard as before.

This went on for some time, day after day, while the mother tried to understand what made all the difference.

Finally, little Zachary brought home his report Card.. He quietly laid it on the table, went up to his room and hit the books. With great trepidation, His Mom looked at it and to her great surprise, Little Zachary got an 'A' in math. She could no longer hold her curiosity.. She went to his room and said, 'Son, what was it? Was it the nuns?' Little Zachary looked at her and shook his head, no..

'Well, then,' she replied, Was it the books, the discipline, the structure, the uniforms? WHAT WAS IT?'

Little Zachary looked at her and said, 'Well, on the first day of school when I saw that guy nailed to the plus sign, I knew they weren't fooling around.'

Don't eat turkey sandwiches, no matter what !!

A little boy and a little girl attended the same school and became friends. Every day they would sit together to eat their lunch. They discovered that they both brought turkey sandwiches every day! This went on all through the fourth and fifth grades, until one day he noticed that her sandwich wasn't a turkey sandwich.

He said, 'Hey, how come you're not eating turkey, don't you like it anymore?'

She said 'I love it but I have to stop eating it.'

'Why?' he asked.

She pointed to her lap and said 'Cause I'm starting to grow little feathers down there!'

'Let me see' he said.

'Okay' and she showed him. He looked and said, 'That's right. You are! Better not eat any more turkey.'

He kept eating his turkey sandwiches until one day he brought a peanut butter sandwich instead. He said to the little girl,

'I have to stop eating turkey sandwiches, I'm starting to get feathers down there too!' She asked if she could look, so he showed her!

She said, 'Oh, my God, it's too late for you!

You've already got the NECK and GIZZARDS!!!!!!!!!!!!!!!!!!!!!!

Subject: Guido, the Italian lover

A virile, middle-aged Italian gentleman named Guido was relaxing at his favorite pub in Rome when he managed to attract a spectacular young blonde woman. Things progressed to the point where he invited her back to his apartment and, after some small talk, they retired to his bedroom where he rattled her senseless. After a pleasant interlude he asked with a smile, "So, you finish?" She paused for a second, frowned, and replied, "No." Surprised, Guido reached for her and the rattling resumed. This time she thrashed about wildly and there were screams of passion. The sex finally ends and, again, Guido smiles and asks, "You finish? Again, after a short pause, she returns his smile, cuddles closer to him and softly says, "No." Stunned, but damned if he was going to leave this woman unsatisfied, Guido reaches for the woman yet again. Using the last of his strength, he barely manages it, but they end together screaming, bucking, clawing and ripping the bed sheets. Exhausted, Guido falls onto his back, gasping. Barely able to turn his head, he looks into her eyes, smiles proudly and asked again, "You finish?" Barely able to speak, the beautiful blond whispers in his ear, "No, I'm Norwegian."

If anyone has any objections to the funnies I put in here then send me some of yours.
