The Annual General Meeting began at 11:15am.

ATTENDEES: As per attendance book.

PRESIDENT'S REPORT: Thanks to everyone for organising club runs this year. Everyone has done a really fantastic job. We would like to have more people put their hands up to do runs next year and find new places to go where we haven't been before. Also, as a reminder for club raffles: If anyone has any unwanted prizes or gifts that they don't want, we would be happy to accept them to go towards club raffles, or if you see something at the shop that would be good for raffles, donate them to the club.

SECRETARY'S REPORT: Thank you to everyone for a successful year. It's good to see everyone here today, and I hope you all think about taking a position. Denise and I won't be accepting the secretary role this year. Thank you to Denise for being my secretary, and I hope we have another good year like this year. If anyone has any ideas for runs this year – just remember, it's our club; the more we put into it, the more we get out of it.

* NDSCC has a bi-law that limits the tenure of members in club roles to 2 years. These members have been re-elected into their previous roles for longer than 2 years because no one else was nominated and we require someone to be elected to this role for the benefit of the club.

GENERAL BUSINESS:

All members were asked if they had read the minutes from the previous AGM. All members were asked if there was any business arising from the last AGM minutes – None.

The meeting was closed at 11:35am to continue the general meeting.

CONTINUATION OF GENERAL MEETING: September, 2018

The general meeting was continued at 11:35am following the AGM.

GENERAL BUSINESS: Julie moves that we delete the bi-law covering limitations of tenure for members.

Move declined: It's a good way to encourage new people to join the committee, and it's not too much effort to acknowledge the bi-law if no one else will take a role.

QUEEN'S BIRTHDAY LONG WEEKEND REPORT:

Stanthorpe, 29/09/18 – 01/01/18

Organised by Graeme and Denise Douglas, written by Bob Pritchard, photos by Kim Castle

We left the lakes to head to our first quick stop where we picked up some friends at Kilcoy. Our first stop after that was Atkinson's Dam for morning tea. The next stop for lunch was Toowoomba. Leaving here, we headed to our final stop for the weekend which was Stanthorpe. After booking in to our accommodation we received our breakfast packs for the weekend. We then went to our cabins to settle in and proceeded to have a well needed drink and sweets.

We all met at the accommodation's barbeque area for dinner and we were treated to some well cooked food thanks to our volunteer cook. On Saturday we went to our first stop, Mt. Marlay Lookout, which provided us with a good view of Stanthorpe. Our next stop was Castle Glen Australia Brewery to sample some of their fine wines and buy some supplies, then onto a cheese factory to taste some very nice cheese.

After a very scenic drive we headed back to the cabins for a well-deserved break and later we sampled some very nice beers brewed at Castle Glen. Next was dinner at our accommodation's restaurant with a very good variety of dishes to choose from. The NDSCC committee decided to shout our members dinner that night. Sunday morning, after brekky, it was time to pack up and head home after a lot of goodbyes. I am sure that everybody had a fantastic weekend thanks to Graham and Denise who always organise great weekends away.

Thank you from everybody.

OCTOBER RUN: Mapleton Tavern, 21/10/18

Organised by Rod and Vanessa Robertson, written by Julie Walters, photos by Kim Castle

Well here goes. As I won the lucky car ticket I have to do the run report. Gee we all got to sleep in an extra half hour today. Nice and sunny but storms predicted for the afternoon.

10 cars turned up (the usuals) as Rod and Vanessa brought 2 of their cars out for a run. We left the car park the back way and headed to Woodford for smoko but not your everyday Woodford. Up a very windy, steep and narrow road to a community hall. Don't ask me where it was as it sure was out of the way. By the instructions I think it was Bellthorpe. Frank was having a bit of heating problems with his convertible but after several heads under the bonnet it seemed to be fixed.

After a good chinwag we all left heading for our destination. More narrow windy road and motorbikes to contend with blocking the road at one of the turns. Heading towards Kenilworth and on through to Obi Obi Rd to take us to the Mapleton Tavern for lunch. Lots of motorbikes showing off as they went up the street and the tavern was packed. The food was great and lots of it and everyone had a great time but we were all worried about the storm which was building up very quickly. We decided to leave and went the highway via Nambour and we arrived home just as the first drops of rain were coming down but I heard those that left a bit later and went the range way got caught in the SUPER STORM.

Thanks to Vanessa and Rod for organizing the run today.

Why did the Mississippi River run backwards?

In 1811 and 1812, a series of earthquakes emanated from New Madrid, Missouri, and were felt as far away as Ohio and South Carolina. The soil beneath the Mississippi River rose, temporarily changing its course so that it flowed backwards.
